About Us

HAKKIMIZDA

Banyo ve mutfak malzemeleri üreticisi olarak çalışmalarına devam eden Tandoğan Plastik, ilk ticari faaliyetine 1992 yılında kurucumuz Ali İhsan Tandoğan ile başlamıştır.

70 m2'lik bir alanda imalata atılan firmamız, her sene büyüme oranlarında kendi rekorunu kırarak sektöründe ciddi başarılar elde eder hale gelmiştir. Tandoğan Plastik, şu an ise 3000 m2 kapalı alan içinde; makine parkuru, robot sahaları, montaj atölyeleri ve depolama bölümüyle üretim yapmaya devam etmektedir.
Gelişmeye devam eden ve bunu bir misyon olarak benimseyen vizyonumuz ile dünyada 15 ülkeye ihracat, Türkiye'de ise 81 vilayete satışımız bulunmaktadır.

Güvenilirliği ve her daim ileri gitmeye odaklanan yapısıyla sektöründe adından söz ettiren firmamız aynı zamanda imalat makinelerini de kendi bünyesinde üretmektedir.

Tandogan plastic is the company who is producing bathroom and kitchen sanitary ware equipments in turkey, its first commercial activity started with ali ihsan tandogan in 1992.

Starting with little manufacturing and achieving serious success in its sector and every year it has become a company who breaks its own records in growth rates.

There are machines parks, robotic automation field, installation workshops and storage area within 3000 square meters of closed area.

With our vision, developing and progressing every year, our value-added and quality products,export to 15 countries and in turkey we have sales to 81 provinces.

Taking fast steps on the way to be a leader in the sector, our company manufactures production machines itself. And provides technical services to other competitors.
